

Hello-

More band spam! Here are some reminders to get us through the first week of school:

-Students should be prepared to go outside for rehearsal every day during school. Tennis shoes should be worn for rehearsal. Improper footwear will result in the loss of points of the student's participation grade for that day.

-Our first game is at Eastlake North High School this Friday, August 27th. Students should report to Brush by 5:00 pm. Since the current weather forecast for the week looks wonderful (highs in the 70's!), full uniform will be worn for the game.

-Please remind your son/daughter that everyone must go through uniform inspection before every football game. Inspection is part of the performance grade for each football game. It takes place in room C107.

From the Uniform Committee:

Parents: Students should have already tried on their uniforms for hemming. Sleeve and pants hems should be adjusted as needed. Safety pins are not acceptable as they rip fabric and students will be penalized for their Inspection grade. Please refer to the Band Handbook on page 6 and 7 for instructions regarding hemming - no fusible web (iron tape) only hand sewing. The Band Handbook is also posted on the band website at [www.brushbands.org](http://www.brushbands.org)<<http://www.brushbands.org>>. If you have questions, please contact Elizabeth Heston at 440-460-1043.

As always, if you have questions or concerns please e-mail me.

Thanks,

KF
