

Band Boosters
Band Room, Brush High School
December 6, 2011

Meeting was called to order at 7:00pm.

Minutes (Joan Farmer): Minutes from the November meeting were approved.

Treasurer's Report (David Frey for Michael Curran): Check book balance is \$91,160.28 and total operating funds are \$82,757.17. Borally's will send an invoice for the band banquet. The net proceeds from the Yankee Candle fundraiser were about \$3400 and donations were \$500, bringing the total to \$3900, almost to our \$4000 target. Profit from stadium chairs to date is \$120.00. There are still seven available for sale. David will start the Band Camp prepayment program. Report accepted and filed for audit.

Director (Kaylee Flynt): Email went out today with summer dates, senior night and homecoming dates. The concert is December 22 at 7pm. Symphonic Band should report at 6:15pm; Wind Ensemble at 6:30pm; and Jazz Band at 6:00pm.

President (David Frey): The banquet was a success and thanks go to Ann Brizee for organizing. He would like to do it again next year and off-set more of the expenses from the BAMB treasury. We need to select a date for the Spaghetti Dinner; probably mid to late April. Will select a firm date at January meeting. The OMEA contest is in April. Dabney Conwell and Joan Farmer volunteered to coordinate the concessions. Dave will act as BAMB's representative for the Brown & Gold benefit.

Uniforms (Elizabeth Heston): No report.

Website (Alex Heston): There were 209 visits to the website in November and content is up to date.

Chaperones (Scott Karn): The next need for chaperones will be for contest at Mentor High School in March. He will start to recruit for Band Camp.

Fundraising (Ann Brizee): Some ideas for upcoming fundraisers include band fruit in February and a mulch/flower sale in the spring. We can no longer do candy sales because of House Bill 210. Dave Frey introduced the idea of doing a 50-50 raffle at the band concert. After discussion it was decided to not have a 50-50 raffle.

New Business:

We need to set a date for Tag Day and for band registration.

Meeting Adjourned 7:50pm

Respectfully Submitted,
Joan Farmer
